**A NEW recreational
and vocational centre
for adults with severe
learning difficulties.**

LINCOLNSHIRE ADULT RECREATION CENTRE

is a brand new purpose built facility privately owned and managed by 3 partners with over 30 years of experience working with special needs adults.

The partners, Kim Barwell, Lisa Welch and Sandra Welch are committed to providing a fun, safe and caring environment for adults with severe learning difficulties.

The aim of the partners is to provide a place where adults can socialise with their peers, where they will be encouraged to take part, with support, in a range of activities they might not otherwise have the opportunity of.

L.A.R.C. Rise provides a safe self-contained environment fully equipped and tailored to special needs including CCTV, lift and disabled facilities.

Our 18,000 sq ft property will provide an environment in which everyone is equal and can be themselves.

We will always operate a high staff ratio so that a full range of vocational, recreational and socialising activities can be enjoyed. These will include cooking, basic woodworking, pool table, shopping, bowling, day trips, TV and Playstation.

We open officially on the 9th November 2009. Our daily charge will include lunch, afternoon tea and can be used in conjunction with individual budgets.
